DELIVERY

Small orders will be shipped by Letter Mail if possible. Other non-plant orders will be shipped by Parcel Post. Delivery times range from 2-7 business days to Canada, 6-12 business days to the U.S., and 2-8 weeks to international destinations.

Potted plant, plug pack and plug tray orders will be shipped by Canada Post or selected regional couriers in Canada, and by UPS in the U.S. Most plant orders placed before April 15 will be shipped during the main shipping season from April 15 to June 15.

Due to potential frost hazard we cannot ship plants until our weather conditions permit. This may mean that your plants will arrive several weeks after optimum spring planting time in your area. Orders placed after April 15 will be shipped as soon as possible. Some U.S. plant orders may be delayed to consolidate delivery to the UPS depot in Buffalo.

If you require faster delivery please contact our customer service department at **custserv@richters.com** or **1-800-668-4372** for shipment options and rates.
